

The Perfect Man

(Written for a Disney Character Collector)

The perfect man is just a dream, never as good as he may seem. But we've found the one that's right for you, so listen up and we'll tell you who.

We've listened as you told us all; the man for you, he must be tall. His hands are big; his hands are strong. His hair is dark, his lashes long.

You know what they say about a man's feet; well if it's true, you're in for a treat. We know this man will love you so; a moustache he can surely grow.

He's good with kids and he loves to smile; the man we've chosen has a great profile. His laugh will make you join right in; his nose is cute and so is his chin.

A college education is always a plus, a sense of humor a definite must. He's always there to help a friend, and to your needs he'll always tend.

In case you haven't guessed it yet; you know him, yes, you two have met. I know you just can't wait to see, who this perfect man could be.

You see him each and every day; do you love him already? Yes, you may. I'll give you a hint, your memory I'll jog. Everyone knows, the perfect man is a dog.

The match for you must surely be: Mickey's best friend, you guessed it ... Goofy!
